OPTIONAL

Business Head Shots: Used for online profiles, LinkedIn, applications, resumes and personal websites.

Pets: We are extremely pet-friendly and understand that our companions go beyond just dogs or cats— all pets are welcome! Please ensure you have someone available to accompany your pet after their photographs have been taken.

Props: Bring your custom flower bouquets, favorite stuffed animal/toy, instrument, books, cultural items, or even sports equipment. We also have plenty of props to share at our studio!

Family Group Photographs: Each graduating student is entitled to one (1) free family group session with their appointment! This includes a maximum of five (5) persons, including the graduate.

Looking for more group photos? If you wish to have additional photographs taken or adjust the number of family members in the group (e.g., siblings only), we offer a special rate of \$45.99 + tax per extra group. This allows for more time with our photographers to capture these additional moments.

All groups will be asked to wait in our lounge until it is time for the group photo session. No exceptions.

Looking to come in with a larger group size? Please call us at 1-604-731-8314

NO SESSION FEES - BUT DON'T FORGET YOUR DEPOSIT

We require no session fees. However, if you wish to take advantage of a full graduation session and preview your photographs through our online portal, we do ask for a deposit.

Deposits are \$45.00 in cash. This cash-only deposit helps keep costs down for our locally owned small business by avoiding credit card fees.

You have 60 days from your photo session date to use your \$45.00 deposit. This deposit can be applied toward your final photo order if placed within that time frame.

Not planning to buy photos right now? Refunds are available in-store only and are issued exclusively to the student with their original receipt, so please be sure to keep it safe and stop by before your 60 day time limit.

If you don't follow up on your deposit before the 60-day deadline, it will be forfeited and cannot be refunded or credited, even if you place an order later.

LAST FEW TIPS FROM OUR TEAM

Please arrive 10 minutes before your appointment to sign in. Late arrivals may not be accommodated and may be charged a no-show / late fee of \$25.

For the best results, wear a white or light-colored blouse with a collar. Tank tops or V-neck t-shirts are also acceptable if you prefer not to have anything show underneath the gown.

For a formal look, choose a white or light-colored dress shirt with a darker-colored tie. Coordinate your tie with your department sash, or bring a few options with you for us to help you choose. Bow ties are also great!

Please arrive with your makeup already applied, as we are unable to provide dressing room facilities. Bring only the essentials and come prepared.

Flyaway hairs, facial shine, and glare on glasses cannot be retouched. We recommend using hairspray or bringing a brush to manage stray hairs. For facial shine, consider using powder or blotting papers, as studio lighting can amplify it. If your glasses are reflective, we will make every effort to minimize glare. We strive to deliver the best possible outcome while keeping these limitations in mind.
